We may apply the **Standard Rate** at the end of the **Promotional Period**.

- 4.2 The APR is **21.9%** variable. The APR and the Total Amount Payable (as described in Condition 5) are calculated on the assumptions that the **Credit Limit** is £1,200, credit in this sum is immediately drawn down in full for a period of one year for financing **Purchases**, the interest rate that applies is the **Standard Rate** for **Purchases**, the amount of the **Purchases** will be repaid in 12 equal monthly instalments together with the interest payable in accordance with the terms of the agreement and that **you** will not break the terms of the agreement during this period.

- 4.4 Where **Promotional Rates** apply, they will end on the last day of the relevant **Promotional Period** set out in the table above or as notified to **you** at the time **we** make the **Promotional Offer**, unless **you** break the terms of the agreement in which case the relevant **Standard Rate** will apply or, in the case of **Buy Now Pay Later Balances** which have transferred to the **Standard Balance**, the **Standard Rate** for **Purchases** will apply.
- 4.5 If **you** accept a **Promotional Offer** after **you** have entered into this agreement **we** will tell **you** the **Promotional Rate** and applicable **Promotional Period** before **you** enter into the **Transaction**.
- 4.6 Subject to Condition 4.7 below, **we** work out interest on **Purchases** (excluding **Purchases** on which no interest is payable) on a daily basis from the date they are added to the **Account**. If **you** pay in full the outstanding balance shown on **your** current statement by the payment due date, **you** will not pay any interest on **Purchases** shown on **your** statement, but even if **you** pay in full the outstanding balance shown on **your** current statement by the payment due date but did not pay in full the outstanding balance shown on **your** previous statement by the previous payment due date, **we** will charge interest on each **Purchase** shown on **your** current statement until **your** payment clears onto **your Account**.
- 4.7 **We** charge interest (i) on all other **Transactions**, related fees and on other amounts (such as the **Account** fees in Condition 8.2) from the date they are added to the **Account**; and (ii) on **Buy Now Pay Later Transactions** from the date on which they have been transferred to **your Standard Balance**; until **you** have repaid the balance on **your Account** in full. **You** will not pay any interest on **Buy Now Pay Later Transactions** where **you** have repaid **your Buy Now Pay Later Transactions** and any **Standard Balance** in full before the end of the relevant **Promotional Period**, but if **you** do not repay **your Buy Now Pay Later Transactions** and any **Standard Balance** before the end of the relevant **Promotional Period** **we** will charge interest on a daily basis at the **Standard Rate** for **Purchases** from the end of the **Promotional Period** until **your Standard Balance** has been repaid in full.
- 4.8 **We** will charge interest on any **Balance Transfer Fee** and **Cash Transaction Fee** (and on any unpaid interest) at the rate which applies to that **Transaction** type. **We** will always charge interest on any other **Account** fees at the **Standard Rate** for **Purchases** (as shown in the table in Condition 4.1 or as notified to **you**). **We** will not charge interest on **Default Fees** until **we** have told **you** **we** will do so but **we** will not charge interest on interest on **Default Fees**.

- 4.9 **We** calculate interest on a daily basis and add interest to the **Account** on the statement date each month. This means that if **you** do not pay **your Standard Balance** in full, **you** may pay interest on interest except on **Default Fees**.
- 4.10 **We** may vary the interest rates or any other fees or charges **we** make now or in the future under Condition 20. **We** will give **you** at least 30 days' notice in writing of an interest rate increase and 30 days' notice in writing of a change to any fees or charges.
5. **Total Amount Payable**
If **you** make immediate use of **your Card** for **Purchases** of £1,200 and then repay the **Account** balance in 12 equal monthly instalments over the period of one year, the Total Amount Payable would be £1,330.03 assuming that there is no change to the interest rate and that **you** do not break the terms of the agreement.

If the total of **your Standard Balance** is less than £5, then the minimum payment due will be the total outstanding balance. Any overlimit amount is immediately repayable. Any amounts on **your Buy Now Pay Later Balance** will not be included in **your** minimum payment.
- 6.2 When **you** make a **Buy Now Pay Later Transaction** it will form part of **your Buy Now Pay Later Balance** which does not form part of **your** outstanding balance. The **Promotional Period** will be three months unless **we** tell **you** it is longer. **Buy Now Pay Later Transactions** which are made in any **Statement Period** will be transferred from the **Buy Now Pay Later Balance** to the **Standard Balance** on the last day of the **Promotional Period**.
7. **Allocation of Payments**
If **you** do not pay the **Standard Balance** in full in any month, **we** will apply **your** payment to (i) **Transactions** and **Promotional Transactions** (ii) any **Account** fee charged in connection with a **Transaction** or **Promotional Transaction**, (iii) other **Account** fees and to (iv) any **Default Fees** which are shown on **your** statement as follows:

 - 3) If **you** pay more than the **Standard Balance** shown on **your** statement in any month **we** will apply **your** payment to **Transactions** on **your Standard Balance** which are not shown on **your** statement before any **Transactions** on **your Buy Now Pay Later Balance** which are shown on **your** statement.
- Where an **Account** fee is charged in connection with a **Transaction** or **Promotional Transaction**, it will be applied by reference to that **Transaction** type. Otherwise it will be applied after other **Transactions** as set out in 2) above.

12. YOUR ACCOUNT

12.1 Use of Card

- a) If Buy Now Pay Later Transactions are available on your Account, we, or the Retailer, will let you know at the time you make your Purchase if it qualifies as a Buy Now Pay Later Transaction. Buy Now Pay Later Transactions may only be made at the stores or online sites of Retailers who offer a NewDay Retailer branded Card. To qualify as a Buy Now Pay Later Transaction we will set the criteria, these may include a minimum Transaction amount, the purchase of a specified type of goods (e.g. furniture) and availability at a Retailer or in a specified store, department or online site of that Retailer. You must tell us, or the Retailer, that you want the Transaction to be a Buy Now Pay Later Transaction if you are given the option at the point of sale.
- b) We may set the criteria for other Promotional Offers; these may include a minimum Transaction amount, the purchase of a specified type of goods (e.g. furniture) and availability at a Retailer or in a specified department of that Retailer or in-store or online.
- c) We will put on the Account all Transactions and all other amounts you have to pay to us in connection with the Account.
- d) If you have authorised a Recurring Transaction, the supplier may continue to take payments from your Account until you tell them or us to cancel it. You may withdraw your authorisation at any time up to the end of the business day (Monday to Friday other than English bank holidays) before the Recurring Transaction is due to be paid. We will use our best efforts to stop these transactions from being charged to your Account. As Recurring Transactions are initiated by the supplier, you may wish to contact the supplier as well to stop the Recurring Transaction being initiated. If the Recurring Transaction is taken from your Account after you have withdrawn your authorisation we will refund the transaction amount together with any related charges or interest.
- e) You may not use the Card or the Account for any illegal purpose.
- f) Cards belong to us and you must immediately return them to us or destroy them if we ask you to. We may ask others to retain them for us.
- g) For operational reasons we can recall or replace Cards at any time and may change the Card and/or Account numbers at any time. We may provide a Card using a different payment scheme as a replacement Card as long as we reasonably think you will get the same or a better service with that Card.
- h) If you buy any goods or services using your Card which individually cost more than £100 and not more than £30,000 and these are unsatisfactory, or fail to arrive, or a misrepresentation is made by the supplier, you may be able to sue the supplier, or us, or both.
- i) A Retailer may from time to time offer a loyalty scheme or other benefits. If so, they will operate under separate terms and conditions notified to you.

12.2 Credit Limit, Cash Limit and Buy Now Pay Later Limit

- a) We will let you know your Cash Limit (if any) when you receive your first statement. We will let you know your Buy Now Pay Later Limit (if any) when we let you know that Buy Now Pay Later Transactions are available to you. We may introduce or change your Cash Limit or Buy Now Pay Later Limit from time to time and will let you know of any changes by post, email, text message or on your statement.
- b) You must not go over your Credit Limit at any time. If you do so, you must pay us the excess immediately. To decide

whether you have gone over your Credit Limit we may take into account the amount of any Transaction we have authorised even if it has not yet been charged to the Account.

- c) In exceptional circumstances, we may allow you to exceed your Credit Limit as a service to you. Even if we allow this, you will still have to pay the Overlimit Fee detailed in Condition 8.1 and any Promotional Offers will come to an end.
- d) If we decide to increase your Credit Limit we will tell you at least 30 days before we do so; you can tell us that you do not want this Credit Limit increase or any other in the future.
- e) If we reduce your Credit Limit we may do this without notice. We will only reduce your Credit Limit if we have good reason, for example your circumstances change, there is a significantly increased risk you may not be able to pay or we are concerned about fraud or the security of your Card. You may tell us at any time that you want your Credit Limit to be reduced. In either case your Credit Limit will not be less than the amount of your Standard Balance and Buy Now Pay Later Balance.

12.3 Promotional Transactions

- a) We may offer you Promotional Transactions from time to time and will let you know when we do.
- b) We may extend the Promotional Period applicable to particular Promotional Transactions including Buy Now Pay Later Transactions. If we do this, we will tell you the Promotional Period which will apply.

 - ii) if you make a Balance Transfer, you should continue to make any payments due to the other lender until they confirm that no further payments are due;
 - iii) we may limit the number of Balance Transfers you may make or only allow them up to a proportion of your Credit Limit. We will tell you about these limits before you make a Balance Transfer;
 - iv) when you request a Balance Transfer we will tell you the maximum time it will take to process and any fees payable;

13. ADDITIONAL CARDS

- 13.1 You may ask us to issue an additional Card to up to 3 people you nominate as long as they live at the same address as you and are eligible for one.
- 13.2 You are responsible for all use of your Card and Account by any additional cardholder, including anything they do that makes you break this agreement. You must ensure that each additional cardholder uses the Card according to the terms and conditions of this agreement.
- 13.3 We will not give additional cardholders information about your Account.
- 13.4 You can ask us to cancel an additional Card at any time but you will remain responsible for it until it is returned to us.

14. OUR RIGHT TO LIMIT YOUR USE OF THE ACCOUNT

- 14.1 We may cancel or suspend your right to use your Card or Account at any time where we reasonably believe this is necessary because of reasons relating to:
 - a) the security of your Card or Account;
 - b) suspected or actual unauthorised or fraudulent use of the Card or the Account;
 - c) a significantly increased risk that you will not repay us.
- 14.2 We will tell you that we are cancelling or suspending your right to use the Card or Account and give you our reason for doing this. Where we are unable to contact you to tell you of this, or where it would not be appropriate to do so, we will stop use of the Card or Account and let you know immediately after. The agreement will

continue if we cancel or suspend your right to use the Card or Account and we will not be liable for any loss or damage you or an additional cardholder may suffer as a result of the cancellation or suspension.

14.3 We may refuse to carry out a Transaction if:

- a) there is a threat to the security of your Card or Account;
- b) you have exceeded or would exceed your Credit Limit, Cash Limit or Buy Now Pay Later Limit (except in circumstances in Condition 12.2(c));
- c) you tell us that your Card has been lost or stolen;
- d) we are required to do so for any legal, regulatory or fraud prevention purposes;
- e) you have given us an inaccurate or unclear payment instruction;
- f) we suspect fraud or the Transaction appears unusual compared to your normal spending pattern;
- g) carrying out a Transaction may result in increased credit risk;
- h) it is a Buy Now Pay Later Transaction and you have not made a required payment in full and on time or have gone over your Credit Limit at any time in the twelve Statement Periods prior to the date on which you are trying to make the Transaction.

You can contact us to find out why we have refused to carry out a Transaction. Where we refuse to carry out a Transaction we will notify you of this and tell you the steps required to complete the Transaction if this is possible. We will give you reasons for such refusal if we are able to do so.

14.4 We may decline to issue you with a replacement Card where:

- a) you have repeatedly broken your agreement with us;
- b) your Account is dormant;
- c) we reasonably consider that there is a significantly increased risk you will not be able to repay us;
- d) we suspect that the Card has been or may be used fraudulently.

15. CHARGES

- 15.1 Details of fees charged in relation to all Transactions are detailed in Condition 8.
- 15.2 If you use your Card (or Card number) to withdraw cash from any cash machine or for another type of Cash Transaction, we will charge you the Cash Transaction Fee set out in Condition 8.2. We may set limits on the amount of each Cash Transaction and will tell you if we do.
- 15.3 All Transactions in currencies other than Sterling will be converted into Sterling on the day they are added to your Account at the Payment Scheme Exchange Rate (at the date and time the Transaction is processed) together with the Non-Sterling Transaction Fee. The Payment Scheme Exchange Rate used may differ from the rate when the Transaction was made as exchange rates vary on a daily basis. The Payment Scheme Exchange Rate used when such Transactions are made and the amount of the Transactions in Sterling following application of the exchange rate will be set out in your statement. For an indication of the Payment Scheme Exchange Rate you can visit www.mastercard.com or call us on 0208 181 0000*.
- 15.4 You may not hold a credit balance on your Account. If you do, we may still restrict the use of the Card and the Account to the amount of your Credit Limit.

16. PAYMENTS AND INTEREST

- 16.1 You must make at least the minimum monthly payment each month, to be received by us by the payment due date shown on your statement. Payments will reduce your balance only when they are credited to your Account. Your statement will give you guidance on when to make payments by different methods so that they reach us and can be added to your Account on time. We will treat any payment you make (or part of it) as paying off any arrears on the Account first before treating it as the minimum monthly payment due on the Account.
- 16.2 We may at any time waive the whole or part of any interest in respect of any amount charged to the Account, if we think it appropriate to do so, based on how you use the Account.
- 16.3 As we process payments automatically we may accept partial payments marked "payment in full" or other similar language without losing our right to claim full payment.
- 16.4 You may pay the Account balance in whole or in part at any time. You can call Customer Services to find out your Account balance and you can make payments using any of the methods set out in your statement.
- 16.5 If you have told us to collect your full balance by Direct Debit each month, we will ask you if you want us to collect the Standard Balance shown on your statement only or to also include the amount of any Buy Now Pay Later Balance. If you do not tell us we will collect both your Standard Balance and your Buy Now Pay Later Balance.

17. DISPUTED TRANSACTIONS AND REFUNDS

- 17.1 Where you dispute a Transaction, if, following our investigation, we find that you have not authorised the Transaction, we will refund the amount of the Transaction and restore the Account to the state it would have been in had the Transaction not taken place.
- 17.2 If you dispute any pre-authorised Transaction, you must tell us about this as soon as possible. If the dispute relates to the amount of any Transaction where the amount of the Transaction exceeds the amount that you reasonably expected (other than as a result of exchange rate fluctuations) you must tell us within eight weeks from the date on which the Transaction was put on your Account as you are entitled to a full refund. The right to a refund does not apply where you have given consent to the Transaction to be made and information about the Transaction was provided at least four weeks before the date on which payment is due.
- 17.3 You cannot use a claim against a supplier as a reason for not making payments to us unless you have a legal right to do so.
- 17.4 Where a shop or other person you have paid using your Card gives you a refund, your Account will be re-credited when we receive an acceptable refund confirmation.

18. YOUR STATEMENT

- 18.1 We will send you a statement each month that there is activity or a balance on your Account which will show your payments and all Transactions and other amounts added to your Account since the last statement.
- 18.2 You must make the minimum payment due each month even if you do not receive a statement for any reason or have not accessed your online statement. In these cases you must contact us to find out the minimum payment due that month. Even if you do not receive a statement we will still charge interest and fees as applicable on the balance of your Account.
- 18.3 You must check your statement and must tell us as soon as possible if you think the statement is wrong or if you do not receive a statement when you expect one, or if you cannot access your online statement.
- 18.4 Where we send statements by post we will send them to the most recent postal address we have for you. We may be able to provide you with statements and other Notices online. You agree that if this facility is available on your Account we may make your statements, and other Notices, available in a printable and/or downloadable format via the customer area at our secure online address and/or send them to the most recent email address that we have for you.
- 18.5 We may allow you to opt in or out of receiving paper statements and other Notices at any time by updating your preferences online, or by calling us. We may choose to supply you with a paper statement at any time. If you choose electronic statements, we may send you notification that your statement is ready to view online, but we will not be responsible if you do not receive this, including because you have not told us about changes to your details.

19. CARD AND PIN SECURITY

- 19.1 You and each additional cardholder must:
- make sure that each Card is signed as soon as you receive it, if required;
 - keep your PIN and Card safe and not let anyone else know it or use them;
 - make sure you know your PIN and other security information and keep them secret at all times, including destroying the notification we send you; and
 - take care when storing or disposing of information about your Account.
- 19.2 If your Card is lost or stolen or you think that it or the Card number may be misused, or that someone may know your PIN, you must tell us as soon as possible by telephoning 0208 181 0000* or writing to NewDay Ltd, Customer Service Department, P.O. Box 700, Leeds LS99 2BD. If we ask, you must write to us within seven days.
- 19.3 You must give us all the information you have about the loss, theft or misuse of the Card, Card number or the PIN, and any other information we ask for to help us. We may give the police any information we think will be useful.
- 19.4 You will not have to pay for any unauthorised use of your Card or PIN after you have told us that it is lost or stolen, or you think that it may be misused by someone (other than you or an additional cardholder), unless you or an additional cardholder have acted fraudulently or were responsible for the misuse, for example by allowing someone else to have the Card. You may have to pay us up to £50 for unauthorised use before you let us know that your Card or PIN is lost, stolen or liable to misuse.

- 19.5 You must not damage or deface any Card or interfere with any chip in a Card at any time except those Cards that have been cancelled, withdrawn or have expired and which must then be destroyed.

- 19.6 Our fraud detection systems highlight unusual spending patterns and we may contact you if unusual Transactions appear on your Account; these calls may include computer generated speech.

20. CHANGES TO THIS AGREEMENT

- 20.1 We can change your Credit Limit, Cash Limit or Buy Now Pay Later Limit under Conditions 2 and 12.2.

20.2 Interest rates and fees

We may change the interest rates and/or fees payable under this agreement (including introducing new fees or changing when or how we calculate or apply interest or fees and charging different rates on different Transactions) in the following circumstances:

- to respond proportionately to actual or expected changes to our costs of providing the Account;
- if we change the services or benefits included with your Account;
- because we reasonably think that your credit risk profile has changed (which may include using of external credit reference data and looking at the way that you manage your Account) meaning that there is an increased risk that you might not be able to repay what you owe us;
- to maintain an appropriate return from your Account and to ensure that our business maintains a broadly similar level of competitiveness;
- for any other valid reason as long as you are able to end the agreement without charge.

20.3 All other terms of your agreement

We may change any other terms, (including removing or adding terms or changing the Promotional Period relating to any Promotional Offers) for the reasons above and for any of these reasons:

- we reasonably consider the change would make the terms easier to understand, fairer to you, or you would not be disadvantaged by it;
- to make reasonable changes to the way we look after your Account as a result of changes in the financial system, technology, or the systems we use;
- as a result of actual or anticipated legal or regulatory requirements;
- to ensure that our business is run prudently;
- for any other valid reason as long as you are able to end the agreement without charge.

20.4 Notification of changes

- If we increase your interest rate, we will give you 30 days' written notice of the change and will give you another 30 days to decide if you want to stop using your Card and pay back the balance at the existing rate. We will provide you with written notice before making any other interest rate change.
- We will give you at least 30 days' written notice of all other changes to your agreement unless the change is not to your disadvantage. In this case, we will give you written notice but we may make the change more quickly. If you do not want to continue the agreement with the change, you can end this agreement (see 'Ending The Agreement'). All such changes will take effect as notified for as long as the agreement remains in existence.
- We may offer you benefits along with your Account and we will tell you what benefits we offer if these become available to you. We may change, withdraw or suspend these benefits at any time by giving you reasonable notice.

21. ENDING THE AGREEMENT

- 21.1 You may end this agreement at any time by writing to our Customer Services Department at the address in Condition 19.2 or calling Customer Services and paying the full amount of both the Standard Balance and any Buy Now Pay Later Balance. Unless there are exceptional circumstances we will give you two months' written notice if we decide to end this agreement. You must continue to pay interest on all amounts you owe us even after the Account is terminated or closed.
- 21.2 We may demand repayment of the full amount of both the Standard Balance and any Buy Now Pay Later Balance if:
- we find out that our decision to lend to you was based on inaccurate, misleading or incomplete information; or
 - you break this agreement regularly or seriously, die, become bankrupt or make a voluntary arrangement with other people you owe money to; or
 - you have broken the terms of another agreement you have with us and as a result we have given you notice ending that agreement and we have reasonable grounds for thinking that you may not be able to continue making payments under this

agreement. Before making any demand we will provide you with any notices required by law.

21.3 We may close your Account (by providing two months' written notice), cancel or suspend your right to use your Account or reduce your Credit Limit if it has been dormant, meaning there have been no Transactions or a zero balance for a reasonable period of time. Before we close, cancel or suspend your right to use your Account, we will contact you to determine whether you intend to make any further Transactions on your Card.

21.4 Once notice has been given, Cards, Card numbers and PINs must not be used and you must destroy them or, if we ask you to, return all Cards having cut them into several pieces and cancel any instructions or authorities you have given others to charge your Account. You must continue to make all payments due under this agreement, which will continue until you have repaid the full amount of both the Standard Balance and any Buy Now Pay Later Balance, including amounts added to the Account after the notice to end the agreement.

23.6 We will not be liable if we are prevented from doing anything we have said we will do under this agreement because of anything that we cannot reasonably control, including any machine failing to work, any person, company or supplier refusing to accept any Card and industrial disputes.

USE OF PERSONAL DATA

A condensed guide to the use of your personal information by ourselves and by Credit Reference Agencies (CRAs) and Fraud Prevention Agencies (FPAs)

- 1) When you apply to us to open an account, we will check our own records about you as well as those at CRAs and at FPAs. When CRAs carry out a full search they will place a search footprint on your credit file that may be seen by other lenders and this may affect your ability to obtain credit for a short while. An eligibility check will only leave a soft footprint on your file, which will not affect your ability to obtain credit. CRAs supply to us both public (including the electoral register) and shared credit and fraud prevention information. We will make checks such as assessing your application for credit and verifying identities to prevent and detect crime and money laundering. We may also make periodic searches at CRAs and FPAs to manage your account with us.
- 2) If you tell us that you have a spouse or financial associate, we will link your records together so you must be sure that you have their agreement to disclose information about them. CRAs also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.
- 3) Information on applications will be sent to CRAs and will be recorded by them. Where you borrow from us, we will give details of your accounts and how you manage it/them to CRAs. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs and FPAs to perform similar checks and to trace your whereabouts and recover debts that you owe. Records remain on file for 6 years after they are closed, whether settled by you or defaulted.
- 4) If you give us false or inaccurate information and we suspect or identify fraud we will record this and will also pass this information to FPAs and other organisations involved in fraud and money laundering prevention.
- 5) If you have borrowed from us and do not make payments that you owe us, we will trace your whereabouts and recover debts.
- 6) Your data may also be used for other purposes for which you give your specific permission or, in very limited circumstances, when required by law or where permitted under the terms of the Data Protection Act 1998. This is a condensed version and if you would like to read the full details of how your data may be used please phone 0371 522 5146 (This call will cost no more than a standard national rate call. Calls may be recorded and monitored for training and security purposes). You can contact the CRAs currently operating in the UK; the information they hold may not be the same so it is worth contacting them all. They will charge you a small statutory fee.

If false or inaccurate information is provided and fraud is identified, details will be passed to FPAs. Law enforcement agencies may access and use this information. We and other organisations may also access and use from other countries information recorded by FPAs. Please contact us on 0371 522 5146 (this call will cost no more than a standard national rate call)* if you wish to receive details of the relevant FPAs.

We will exchange information about you and your Account with the insurer who provides the product you have chosen to allow the insurer to:

- a) arrange and administer your policy; and
- b) underwrite, prevent fraud and handle claims.

We will also notify insurers of any change in your Personal Information of which you inform us. If you make a claim, we will pass all relevant information to the insurers to help them assess the claim.

25.15 Information about other products and services

If you agree, we, the Retailer and members of the NewDay Group and the Retailer Group may exchange and use relevant information about you, how you manage your Account and the financial transactions on your Account to give you information about other products and services provided by the NewDay Group, members of the Retailer Group and by other carefully selected third parties which may be of interest or benefit to you or we may pass information about you to other carefully selected third parties so they may contact you about such products and services. We may continue to do this after your agreement with us has ended. You may tell us at any time if you change your mind.
